Application for 2025 (Year 30) Mini Grant
Submission Deadline: November 19, 2025

Description of Project. Briefly describe your proposed project (limit = 1 page). Include Aims, Significance, Innovation, Research Approach, schedule for work, and a summary of proposed expenses (not to exceed $5,000 in direct costs). Proposals cannot require IACUC or IRB approval or include travel or foreign components.

Alignment with EDGE and NIEHS Missions: Briefly describe how your project supports the mission and goals of EDGE and NIEHS (limit= ½ page).

Future Plans. Briefly describe your future plans (limit = ½ page), e.g., how the mini grant funding will be used to respond to critiques of a prior proposal, that scored well but was not funded, and how it will support future full-scale research projects and grant proposals.
